Re: NOVEMBER SRT TRAINING

SRT training is set for **Friday, 11/20/98**. The training topic for the month will be Felony vehicle stops. The reason for this training is that we continue to have a large amount of violent crimes in our city. With the types of incidents that we have i.e.; domestic violence, gangs car jacking and robberies, the likely hood of a patrol officer pulling over a suspect in a vehicle is very possible. There is a possibility that on one of these stops, patrol will encounter an armed suspect, maybe even with a hostage. In the event this accure, I can easily see the Patrol Sergeant calling SRT.

We have not trained as an SRT Team with felony vehicle stops in years, and for some of you, maybe not at all. With **Rick** and the K-9 as part of our team, this would be a great situation to use them for the extradition of the suspect.

The day will go as follows. Arrive at P.D. at 0700 hours. Be ready to leave with all your gear loaded in vehicles by 0730 hours. Assault team bring all gear, including MP-5's, AR's, and shields. Snipers bring all gear and Sniper Rifles. We will be conducting Sniper initiated assaults. Dress will be Black BDU's, and rain gear if the weather calls for it. The training will conclude at 1700 hours.

Times:

0700: Meet at P.D.

0730: Leave P.D.

0800-1200: Practice felony vehicle stops.

1200-1300: Lunch

November 12, 1998
