Re: January training

All S.R.T. members should be at the department, dressed and ready to go by 0800 hours. Please have all your gear together. We will be wearing our black uniforms. The following is a schedule of the days activities.

0800-Leave department for Bullseye.

0815-Training begins at Bullseye.

1100 on we will cover several different subjects.

Please remember to bring your cleaning equipment with you, because I want to have all our weapon's cleaned so we don't have to worry about doing it later. Also, you should bring a lunch with you. I am not sure what time we will be breaking for lunch, but we will not have time to get something.

If anyone has any conflicts with this day please contact me as soon as possible.

Thanks, see you Friday.
